**Mike Evans – Darowen
1951 – 2009**

Collwyd aelod brwd o'r clwb ym mis Ebrill 2009.

Adeiladwr lleol o Darowen oedd Mike a'i ddiddordebau yn disgyn i ambell gategori o chwaraeon i rasio, tra'n ymlacio gyda peint yn eil law!

Bu'n cymeryd rhan mewn aml i rali ar draws y Deyrnas Unedig gan ddod a chanlyniadau go arbennig i'r clwb gan gynnwys ennill Rali Bro Ddyfi yn 1987.

Rhai o'i uchafbwyntiau oedd ennill ei ddosbarth ar Rali Killarney yn 2003 efo Huw Lewis 'Cletwr' ac ennillodd y dosbarth 1.6 - 2Ltr yn y Bencampwriaeth Brydeinig gyda Jack Morris yn 1989.

In 2009 our club lost an extremely valued member.

Mike was a local builder from Darowen with varied interests from sports to rallying, he also enjoyed relaxing with a pint in his hand!

He was a keen competitor, in rallies across the United Kingdom, and bringing home some excellent results including a win on Rali Bro Ddyfi in 1987.

Some of his highlights were winning his class on the Killarney Rally in 2003 with Huw Lewis 'Cletwr', and he won the 1.6 – 2.0Ltr class in the British Championship partnered by Jack Morris in 1989.

Mike is sadly missed by all

FOREWORD

A warm welcome to the 2018 Rali Mike Darowen Bro Ddyfi.

We would like to thank the family of Mike Evans "Darowen" for their support and for allowing us to name the rally in honour of Mike and also for being our sponsor this year.

We aim to provide a testing and enjoyable event for experts and novices alike on some of the best roads in the Dovey Valley area.

The team has come up with a route to suit all level of crews. It is a no nonsense straight forward rally with no trickery to catch you out. The event last year was well received with the small amount of unsurfaced roads used and we have tried to maintain this for this years event. We will be using surfaced and unsurfaced roads that are 99% smooth! There are no roads that we wouldn't want to use in our road cars.

We can't wait to see you on the night and wish you all an enjoyable night.

The event will start and finish in Machynlleth covering approximately 110 miles on OS maps 124, 135 and 136 in a pre-plot format. Map 136 will be provided by the club

We are proud to once again host the first round of the WAMC, WBCC, AWMCC and ANWCC road rally championships and as such we recommend your entries are received early.

You will be aware that an event such as this relies on a large number of marshals; we therefore insist that each crew brings at least one marshal with them (all marshals must be over the age of 18).

9. ENTRIES

The Entries Secretary is:

Rhodri Evans
07837 431244

This year we are using the online entry system provided by rallies.info
If you have any concerns about using an online entry please let Rhodri know as soon as possible.

The entry fee is £100 which will include two breakfasts.

The entry list opens on publication of these regulations and closes on Wednesday 31st January 2018. Any entry accompanied by a post-dated cheque will be deemed not to have been received until the date on the cheque. All entries must be made on the official entry form only and will be accepted in order of receipt. Only fully completed entry forms accompanied by the correct fees will be accepted. A link to the online entry form is on the club website.

An administration fee of £25 will be deducted from any entry cancelled after Monday 23rd January 2018. Entries cancelled after this date will be refunded at the organisers discretion.

The organisers will retain 35 places for registered contenders of the 2018 WAMC road rally championship until 21 days prior to the event.

The maximum number of entries is 90 subject to approval from MSARLO and 10 reserves, the minimum is 50. Should the minimum figure for entries not be reached by the closing date, the organisers reserve the right to cancel the meeting. The minimum entry for each class is 5. The organisers reserve the right to amalgamate classes as necessary.

Any entry containing a false or incorrect statement shall be null and void and the entrant deemed to be guilty of a breach of the general competition rules of the MSA Ltd. The entry fee may be forfeited. The organisers may conduct random checks to establish the validity of all or some of the information contained on the entry form.

10. FINAL INSTRUCTIONS

Final instructions will be sent to the person indicated on the entry form in the week leading up to the event unless advised otherwise. Please advise if you would like them posting or emailing and provide the address on entry form.

11. RESULTS

Assessment of performance will be decided firstly on the number of fails then by the number of time penalties gained. Ties will be decided in favour of the furthest clean, smallest engine capacity or any means deemed necessary by the organisers.

Should controversy arise over any section, the organiser's reserve the right, force majeure notwithstanding, to cancel any such section from the results if they deem it fairer to do so. Any time control at which, in the organiser's opinion inaccurate times have been given, shall be considered as a passage control.

Provisional results will be announced as soon as possible after the event at the finish venue.

14. DRIVING STANDARDS OBSERVERS

D.S.O.'s will be appointed to adjudicate on:

- a) Failure to stop at give ways, stop signs and places specified in route information (all wheels must be seen to stop and all forward motion must cease)
- b) Excessive noise
- c) Excessive speed
- d) Driving in a manner likely to bring the sport into disrepute
- e) Compliance with special restrictions e.g. Quiet Zones

Competitors should note that failure to stop when requested by a DSO is penalised by **EXCLUSION**. A DSO board en route will indicate the presence of such an official.

15. CONTROLS & TIMING

The types of control which will be used are as follows:

MAIN CONTROLS	Where timing will be to the whole minute. These will be referred to as MC1, MC2 etc.
STANDARD STARTS	Where timing will be to the whole minute. These will be referred to as TC1, TC4 etc.
STANDARD TIME CONTROLS	Where timing will be to the minute or second. These will be referred to as TC2, TC5 etc. These are the time controls in between the start and finish controls
STANDARD FINISHES	Where timing will be to the minute or second. These will be referred to as TC3, TC6 etc.
PASSAGE CONTROLS	These will be manned. A signature must be obtained from the marshal at the Passage Control. These will be referred to as PCA, PCB etc.
ROUTE CHECKS	These will be unmanned. A code board will be placed at the location of the Control. The competitor must record the code from the board in the appropriate place on the route check card and obtain a signature from the marshal at the next manned control. These will be referred to as RC1, RC2 etc.
SECRET CHECKS	These will be included to establish compliance with Quiet Zone requirements, Give Ways, DSO etc.
VIA CONTROLS	These may be manned or unmanned. Where manned, a signature will be required as proof of passage.

The event will consist of two types of section:

Standard Section

This is a section where a time penalty will be applied for early or late arrival.

Neutral Section

Neutral sections are used to take the rally through PR sensitive or densely populated areas. They will be timed at a low average speed and competitors must proceed in the highest gear possible. Any competitor deemed by a Judge of Fact, to be making excessive noise in a Neutral Section, will be excluded from the event. Competitors must not make up time in Neutral sections, and also the use of auxiliary lights is forbidden.

NOTES

A control board will precede all control locations.

In the event of a Control being unmanned, a code board will be placed at the location of the Control. The competitor must record the code from the board in the appropriate place on the passage or time control card and obtain a signature from the marshal at the next manned control.

Timing will be by marshals using digital clocks set at BBC time. The event will be timed according to scheduled timing.

It is the competitor's responsibility to ensure that their time, route check and passage control cards are correctly marked – competitors will be excluded for the altering of cards.

A competitor who causes any form of harassment to a marshal or any other official, or who remains in a control area subsequent to an instruction to depart, will be reported to the stewards of the meeting. The organisers reserve the right to exclude any such competitor if they so wish.

Please be aware of the instructions regarding controls

- Drivers are required to dip headlights at the 50m board see R9.2.1
- Reduce speed so that you can stop at the marshals location without locking wheels
- Leave the marshals location only when the marshal is clear of the car.

Please observe these instructions as they intended to ensure the safety of marshals. Failure to comply may result in penalties being applied as per R8.4

PROCEDURE AT TIME CONTROLS

At all Time Controls the marshal will record the time that the competitor produces their time card to them.

PROCEDURE AT PASSAGE CONTROLS

At Passage Controls the marshal will enter their signature as proof of correct approach on passage control cards.

Competitors will be required to make up any lateness at between Main Control 2 and 3.

16. SIGNS

18. GENERAL REGULATIONS

All other general regulations of the RAC MSA apply as written except for the following which are modified:

R12.2.7	Maximum permitted lateness for competitors will be as follows: Between MC1 and MC2: Experts & Semi-Experts 20 minutes 59 seconds Novices 30 minutes 59 seconds Between MC2 and MC3: Experts & Semi-Experts 30 minutes 59 seconds Novices 45 minutes 59 seconds
R12.8	Certain sections of the route will be timed to an accuracy of less than one minute
R2.3.3	Secret checks may be established without prior notice e.g. at Give Ways etc. to ensure compliance with the route
R5.4.3	Only the driver nominated on the entry form may drive during the event

19. PROTESTS

Protests must be made on the official form and in writing stating the grounds for the protest, be signed by the party making the protest and accompanied by the fee. It must be lodged with the secretary of the meeting or the clerks of the course within the appropriated time limit.

20. RETIREMENTS

Competitors are reminded that after retirement all rally plates must be removed from the competing vehicle. They must not enter any Black Spots as these are PR sensitive areas. The damage declaration form must be sent to the Entries Secretary within 72 hours of the event. Failure to return this form may be penalised by a fine of up to £100.

21. INSURANCE

The Club has applied to JELF for a Blanket Cover Note under the above scheme. This will provide competitors who need to use the scheme with the Third Party Cover necessary to meet Road Traffic Act requirements on the Road Sections of the Event.

The basic rate for the Event (before any Loadings) will be £15.55

All new applicants wishing to use the scheme must be able to comply with all points of the Jelf declaration below:

- Over 20 years of age and held a Full Driving Licence and appropriate competition license
- Not more than 1 fault accident in the last 3 years
- No more than maximum of 6 speeding points on licence

If you comply with all points above – No Letter of Acceptance will be required.

If unable to comply with any of the above points you will be required to complete the Declaration Form (available from the Web Site www.doveyvalleymc.co.uk) which should be forwarded direct to JELF at least 14 days prior to the event to allow sufficient time for Letter of Acceptance to be issued.

It is the driver's responsibility to ensure that adequate third party cover is operative. Lack of insurance cover will result in a start being refused and this will not be accepted as reason for the refund of any part of the entry fee.

Should you have any queries relating to the insurance scheme, you are advised to contact the Entries Secretary well in advance of the Rally for clarification.

22. MOBILE PHONES

No radio transmitting devices are permitted except in the interests of safety. Mobile phones may be carried but must be **SWITCHED OFF** between MC0 and the last MC. Any competitor found to be contravening this regulation will be **EXCLUDED**.

23. MARSHALS

You will be aware that an event such as this relies on a large number of marshals; we therefore insist that each crew brings at least one marshal with them. It is the responsibility of the entrant to ensure their marshal/s has the correct maps together with a torch and pen and a high visibility jacket. Also to ensure that they are aware that deserting their control before its allocated closing time will result in the crew's exclusion. All marshals must be over the age of 18.

Remember No Marshal, No Start.

24. PHOTOGRAPHERS

Brian Gilbert (Photosport) and Duncan Littler (Speedsport) will be the official photographers for the event.
